RE: Abandoned Property/JACOB KANARI, ARIELA KANARI, URI KANARI

We appreciate your request to maintain your Renewable Certificate with Bank of America. After researching your request, we have determined that your account was escheated to the State of Connecticut. If there is no activity on an account over a specified period of time, state law requires that we transfer the funds in the account to the state as unclaimed property. This process is referred to as escheatment.

We apologize for any inconvenience this may have caused you. In order to receive a refund of your balance, you will need to file a claim with the State of Connecticut.

You may contact the state directly by calling 860.702.3125 or writing to:

State of Connecticut  
Office of the State Treasurer  
P.O. Box 5065  
Hartford, CT 06102

**Please note:** The state will not be able to process refunds until the account records are added to their system.
