Dear Mr. C. Ciminesi III,

This fax comes continuing our phone conversation from last Thursday.

First I would very much like to thank you full heartedly for your assistance, and prompt replies you gave my question. It is wonderful knowing there are people in the system as helpful and kind as you are.

The following is a summary of my thoughts on the issue at hand.

As you no doubt remember, I have told you I have already been examined a couple of years ago, regarding the years 2006,2007,2008.

I have complied with all the requirements and the case have come to satisfactory resolution.

To my surprise I have learned last week, that my subsequent reports, years 2009, 2010, 2011, were also submitted to you for examination, resulting in your request for almost identical documentation to the one I supplied back in 2010.

I realize of course this is no one's fault, and this is probably a result of a bureaucratic mistake. Nevertheless, it is very inconvenient for me. This is especially true, considering the fact me and my wife live and work in Israel, hence almost all the documents are in Hebrew, and need to be notarized and translated prior to submission. A process not only hard and tedious, but also very expensive (the cost of EACH PAGE translated and notarized is around \$80 !!) .

If indeed this current examination is a result of someone not updating my status somewhere, I would ask you to consider the possibility to have this mistake rectified asap.

Continued.....

In the mean time I am sending you (by fax) copies of many of the documents I have sent to comply with the requests for documents I received during my last examination. All these documents were sent after being notarized and translated to my former examiner. Her details are:

**Name: Juhenny A. Blanco Soto**

**Employee ID: 313916**

**Phone: 787-522-1906**

**Fax: 787-522-1742**

**IRS Office: 48 Carr 165, Suite 165, Guaynabo, PR 00968-8000**

Please contact her to verify all the above.

In the next page there is a table of contents and a short explanation to all the attached documents.

Kindly, **Please confirm receiving this batch of documents.** My contact details are below.

Thank You & Best Regards,

Benny Hochster
